Swamiye Saranam Ayyappa!

"Only great souls know the grandeur there is in charity".

It is with great pleasure and joy we approach you to be a part of the historical and utmost divine event of this century i.e. participating in the once in life time '**SWARNA BANDHANAM**' and **SWARNA ABHISHEKAM** to **LORD AYYAPPA (DHARMA SHASTA)**, the presiding deity of our Samaj, during our Golden Jubilee Year 2017.

This is probably the first of its kind adoration to **LORD AYYAPPA** in any of the temples in the country, and in the world. And, we want your involvement and support, to ensure flow of seamless blessings on you and your family, for times to come.

These above celestial events will culminate with adorning **LORD AYYAPPA** with a **SWARNA KIREEDOM**, which will then unleash the tremendous powers of the LORD in form of divine blessing to all devotees.

With the sole intention of passionately involving as many Ayyappans and devotees as possible, from all over the city, country and world, in participating in these rarest of rare celestial events, we have come up with a unique scheme of collecting minimum of 1 (One) gram of **GOLD** towards the **Swarna Abhishekam** and **Swarna Kireedom to Lord Dharma Shasta**, from all Ayyappans and devotees. This will ensure participation of huge number of Ayyappans and devotees, which will immensely please the LORD, and, which will provide high voltage power to the Deity.

These events will be held in the first week of February 2018, however, the order for **SWARNA BANDHANAM** (a band, in pure **GOLD**, around the base of **LORD'S PEETAM** and around the Lotus feet of the Idol), **Swarna Kireedom** and **Swarna Abhishekam** related materials has to be immediately given, so that the Jeweler has sufficient time in completing these holy and divine articles well in time.

Hence, we appeal to you to please donate minimum one gram of **GOLD** or equivalent Rs. 3,000/- (approx. cost per gram of gold] towards the above sacred and divine projects. Suitable Prasadam will be given to the donors.

We are confident that you will contribute your mite and your quantum of **GOLD** for the above **GOLDEN PROJECTS** a.s.a.p. and thereby participate in these divine events.

Swamiye Saranam
